Name not on the list above? We always need more members to help out, please volunteer by contacting Colin below. You will only need to help out on the bar approx. twice a year, and it's a great way to get to know your fellow Club members!

(PS – many thanks to all of you who do help on the bar already!)

IMPORTANT : If you cannot do your shift it is essential to make arrangements for someone else to cover for you. Please try to swap with another member or at the very least let Colin Gauld-Clark know, as far in advance as possible.
