

'REG TANSLEY' RELAY 9th JULY 2008

Not such a close race this year, with lots of last minute team changes due to 'no shows'. Several new members running times much faster than their prediction – well done to you, but you will get nobbled next year ! Fastest leg run by Ed Shep – must be something in the family genes.

Juniors shown by *(j)* after name

(Figures in brackets are team positions after first two legs)

1			2		
Marie Hockley	19:08	(6)	Jon Shipman <i>(j)</i>	16:48	(2)
