

## INDEPENDENCE RELAY 4<sup>th</sup> JULY 2007

Lots of new members, or 'old' members doing the event for the first time, so some handicaps were harder to calculate with little or no previous form to go on. Graham Statter gets the award for being closest to prediction (+4 seconds). The first two teams broke the course record thanks to Rob Carter (-3.06 minutes) and Malcolm Hooker (-2.38 minutes) being far too quick - they will get nobbled next year !!

Good performances by the juniors, especially Tom and his mates in 3<sup>rd</sup> place
